

All it took was a taste... Tara had always been straight. Even though she and her husband Steve are swingers, she'd never been attracted to women. Never. She always enjoyed playing the role of a slutty wife. Letting him share her with other guys was always a turn on for both of them. But the idea of playing with a woman? That was wife sharing she didn't want any part of. Until Dawn. For Steve's birthday, Tara and her friend Dawn play a sexy game and let him watch. He thought it was hot! It was just supposed to be fun and games. But it wasn't. Not for Tara. Her body's visceral response to Dawn's touch is astonishing. Dawn brings her to a mind shattering climax and velvet bliss. It had always been wonderful with Steve and the guys... but Dawn has torn open a doorway to something entirely new. Something she's never experienced before. This brings wife sharing to a whole new level! What took her so long? She wants more. No, she needs more. Now she's consumed by a lesbian fantasy. At work, Joanie always flirted with her only to be brushed off. Now Tara can't get her out of her mind! How would Steve feel to be made a cuckold by a woman? How can she even tell Steve about her new desires? If she goes down this road, where will it end? Should she tell him? Or keep this a secret? This secret—will it enflame her marriage? Or destroy it? Three scorching episodes of a passionate couple exploring and tasting the other side of the menu!
