

# LittleMissMatcheds The Artist in Me!

Now, following the first two books in the series, Pajama Party in a Box and the Marvelous & Fabulous Me Quiz Box, is a new title that takes full advantage of LittleMissMatcheds emphasis on creativity and individuality. The Artist in Me! contains everything an aspiring young artist needs to develop her talent, improve her skills, and discover how to express herself as only she can. The 96-page book is filled with dozens of tutorials on the principles of drawing. But it also goes farther, giving the reader strategies for learning to see as an artist and think as an artist. It reminds readers that there are no mistakes and celebrates the crooked lines as well as the straight. Included in the kit is a complete set of tools: 3 drawing pencils, an artists sketchbook, a set of vine charcoal, oil pastels, sanding pad, blending sticks, color wheel, kneaded eraser, and assorted charcoal drawing paper.

Description: Offers dozens of tutorials on the principles of drawing. This kit provides the reader with strategies for learning to see as an artist, and think as an artist.
