

Modern Masonry: Brick, Block, Stone Lab Workbook

This lab workbook is intended to be used with the Modern Masonry textbook. The lab workbook contains chapter review questions designed to reinforce the information presented in each chapter of the text, as well as jobs in which you apply your knowledge in hands-on-activities. The lab workbook chapter reviews correspond to the textbook chapters and should be completed after reading the appropriate chapter in the text. The lab workbook chapter reviews are designed to enhance your understanding of textbook content. The various types of questions include multiple choice, true or false, matching, identification, fill-in-the-blank, and short answer. Answering the questions for each chapter will help you master the technical knowledge presented in the text.
