

Baseball Scholarships: A Parents Guide to Making Your Sons Dream a Reality

Every child that plays baseball has the dream of playing in college and even the pros. Wouldn't it be great if that talent could pay for your son's tuition? Of course it would! But how do you ensure that this dream becomes a reality with how competitive the sport has become? How do you stand out amongst the thousands of other kids competing for a limited amount of scholarship money? Travel teams can cost \$2,000 or more & camps promising exposure to college coaches can cost over \$500 a piece. As a parent, how do you decide what the best options are for your son without having to take a second mortgage on the house? Well I am about to tell you! This book exposes the truth about how to get recruited to play college baseball and earn an athletic scholarship. This book is NOT... ..an attempt to upsell you on some recruiting video or email scam promising exposure to thousands of college coaches. ...a false promise that if you pay \$500 to attend a showcase, coaches will be banging down your door to offer your son a scholarship. This book is... ..the truth about the recruiting process and the talent necessary to get a scholarship. ...an inside look at what college coaches are looking for and how to stand out. ...the FACTs about travel teams, camps, lessons, & the business behind them. Which ones will actually help your son get a scholarship and which ones are just looking to profit from you.

For many parents, finding the best-recruiting websites for baseball helps to maximize While no company can promise an athletic scholarship, your child's chances . helps high school athletes realize their dream of playing at the college level. A Parents Guide to How Sports Recruiting Websites Work. For many young athletes and their families, the dream of playing college what parents say is a near universal obsession is the dream of college athletic scholarships. But does the reality of athletic scholarships match the fantasy? .. The odds are almost as slim in mens soccer, football, and baseball.Dream a Reality By Kevin McGrath.
