

# A Little in Love

Inspired by Victor Hugo's classic, *Les Misérables*, *A Little in Love* beautifully conveys the heartbreaking story of street girl Eponine. Paris, 1832. A girl lies alone in the darkness, clutching a letter to her heart. Eponine remembers being a child: her swing and the peach tree, and the baby brother she loved. But mostly she remembers being miserable. Taught to lie and cheat, and to hate the one girl, Cosette, who might have been her friend. Now, at sixteen, the two girls meet again, and Eponine has one more chance. But what is the price of friendship--the love of a boy?
