

Stepbrother Studs: Gavin: A Stepbrother Romance

She knew he was watching. He seemed as addicted to her as she was to him. Knowing he was looking at her gave her a high. It was like a drug... FROM NEW YORK TIMES BESTSELLING & AWARD WINNING AUTHOR SELENA KITT

Sasha's younger stepbrother, Gavin, is an exasperating little hottie and he knows it. The two siblings enjoy teasing and tempting each other, just to see if they can push each other over the edge. The sexual tension between them is so thick you could cut it with a pair of scissors, and when Gavin agrees to be his stepsister's test subject, allowing her to give him a shave and a haircut so she can practice her new beautician skills, Sasha discovers just how much lust exists between them. But that isn't all they're feeling. And once that taboo line is crossed, Sasha knows there will be no going back. Now that their forbidden desires have been exposed, she has to decide how far she's willing to go. And, she wonders, how far is her stepbrother willing to go with her?
