

Indoctrination U: The Left's War Against Academic Freedom

In dramatic commentary, *Indoctrination U.* unveils the intellectual corruption of American universities by faculty activists who have turned America's classrooms into indoctrination centers for their political causes. It describes how academic radicals with little regard for professional standards or the pluralistic foundations of American society have created an ideological curriculum that is at odds with the traditional purposes of a democratic education.

Indoctrination U. The Left's War Against Academic Freedom. By David Horowitz. In 2003, David Horowitz began a campaign to promote intellectual diversity and a return to academic standards in American universities.
