(Previously published as Every Minute! Box Set) Shes never kissed a girl...never done a menage a trois. What has she been missing? Everything is nice in Saras life. Love is better the second time around. Don is a wonderful man trim, fit, hardworking and sober. Not to mention that hes six years younger than her and thinks shes flamethrower hot, because that would be bragging. The wake-up call happens and shes not content to sit on the safe side-lines any longer. When she asks her hubby how many partners hes had before her, and he needs extra fingers and toes she knows that her life has been too sheltered. Her new lease on life comes with a G string attached! Shes ready to be a bad girl. A wicked, wicked woman. What would it be like to try the swinger lifestyle? Does she even have the nerve? Well, maybe they can start with soft swing, whatever that is. She wonders if they play pin the tail at those swinger parties. Ouch. A chance meeting in a restaurant opens her eyes to the wonder of menage, kick starting her explorations of becoming a swinger wife. And it really doesnt mattershe doesnt have the time to be nervousshes too turned on! Gripping Dons hand for dear life she jumps in with both feet. Right into bed!
