

His princess gets anything she wants... At age 19, bratty Linsey still lives at home with Troy, the man who raised her. Why move out when he treats her like a princess? He spends all his money on her clothes and trips to the salon, all so his little girl can fit in at college. What Linsey really wants is a new car, but when Troy says no, she vows to change his mind. She'll use her hot body to seduce him into taking her, hard and without protection -- then blackmail him with evidence of their torrid affair. What could possibly go wrong?
