

Americas Poor and the Great Recession

Millions have entered poverty as a result of the Great Recession's terrible toll of long-term unemployment. Kristin S. Seefeldt and John D. Graham examine recent trends in poverty and assess the performance of America's safety net programs. They consider likely scenarios for future developments and conclude that the well-being of low-income Americans, particularly the working poor, the near poor, and the new poor, is at substantial risk despite economic recovery.

Millions have entered poverty as a result of the Great Recession's terrible toll of long-term unemployment. Kristin S. Seefeldt and John D. Graham examine r Kristin S. Seefeldt and John D. Graham, *Americas Poor and the Great Recession* (Bloomington: Indiana University Press, 2013, \$21.00). Yet because the economic impact of the Great Recession was highly uneven across the nation, the map of U.S. poverty shifted in important ways over the past Get the *Americas Poor and the Great Recession* at Microsoft Store and compare products with the latest customer reviews and ratings.
