

You should love the skin that you're in, and when flesh meets flesh in the wildest of ways, it can be deliciously erotic... These stories of interracial passion are so intoxicating that readers will need a little "me" time. In "Sexy Vanilla Filling", it's the more the merrier. Mary gets an eyeful from the other side of the shower curtain when her best friend Janet gets taken from behind from the biggest black shaft she's seen in her life. Will she come from behind the shower to taste their chocolate, sweet skin? EXCERPT: From Mary's vantage point, sweet little Janet wasn't wearing any panties. That was a bit of a turn on, because Mary wished she were bold to pull something like that off. Her suspicions were confirmed when Bruce pulled Janet's blue dress up over her hip bone, exposing her naked ass, accented by a shapely crack. "Mmm, give me some of that fat dick before I go out tonight, baby," Janet said, as she traced her fingers across his stomach, before grabbing a fist full of cock through his shorts. She turned her wrist to stroke his long meat, giving him the "fuck me" eyes, as his cock was just begging to be free at this point. He dropped his shorts to his ankles, and from Mary's angle, she got to see the full frontal view of his bald pubic region, complete with a soda can thick dick and chestnut brown balls that hung loosely. She put her hand over his mouth, as this was definitely a side of her friend's man that she had never, and never expected to see. Not that she was complaining. "Little White Mistress" revolves around Cindy, Lawrence's sexy white mistress. They play with fire one night, because Lawrence's wife is on her way home, so they have a little bit of time to get a hot quickie in. Will they beat the clock, or will Lawrence's wife catch them in the act? EXCERPT: We started meeting up whenever we had free time to sex each other's brains out. There was 69 in the backseat of my car after work, head on my lunch break, doggy style in the park when I went on my morning jog... We tore each other part each and every time we got together. In this moment we were truly playing with fire, because it was the first time that she had been to my home. I looked at the clock while pushing her head up and down on my rod, and saw that it was about 20 minutes until my wife would be home. She usually called first, so I figure that would buy us some time. Still, there were no guarantees, and the thrill of danger only intensified this moment. I stood to my feet and straddled her face, forcing it into the back of her throat. In "White Girl Spanked", Tiffany is fed up with her husband and his lack of attention and affection. When he sends her over to the other side of the neighborhood to talk to the neighbors, it becomes an opportunity to unleash the erotic beast within. She's never been with a black man before, but tonight, she's going to make passionate love to three of the most handsome ebony men she's ever laid eyes on! EXCERPT: Tiffany's heart sped up. Nothing excited her more than a nice hard swat on her bare ass. She gulped, not knowing what to say. "Oh, she liked that idea," the baldheaded man said. "Yeah, I know she did. I like that smart mouth, but I'm going to teach her a lesson about that. Come on over here, sweetheart, so I can spank your slutty little ass in front of everybody," the man in the cutoff shirt said. The smooth aggressiveness in which he addressed her made Tiffany's pussy quiver. That's the Alpha Male shit she had been missing in her life. Before she even thought about it, her feet were carrying her in the direction of the motorcycle riders. As she approached the man in the cutoff shirt, he held his hand out and stopped her. "Hold on. I'm no bully. You gotta ask me to spank you," he said. With that, he sat down on his shiny metallic motorcycle and looked at her expectantly. All four of them were waiting for Tiffany's response. "Will you spank
