

Discovering Past Lives (Investigating the Unknown (Library))

Have you ever felt like you have lived before, as a person in another place and time? Have you ever felt like you've been some place before, even though you know you haven't? Many people claim to have memories of past lives. Some believe they were farmers, while others claim they were warriors or emperors. Authors Carl R. Green and William R. Sanford explore the possibility of past lives, including religious and cultural views of reincarnation and the paranormal and a scientific look at past-life memories in this book for reluctant readers.
