

Training Princess (Stories of Bondage and Submission)

No one wanted anything to do with Amy anymore. Not since her boyfriend Dean had shown off the videos hed taken of her, and the whole town had come to think of her as a perverted slut. What a humiliation it was to know so many people had seen videos of her naked and performing sex acts! To say nothing of the bondage! Not even her own family wanted her around. And there was no question of her finishing school there. Fortunately, her stepmother had a bachelor brother living in the city who lived in a big house and could keep an eye on her while she finished school. Amy didnt mind that, even if he was a stern man. He wasnt bad looking, and not nearly as old as her father. She even liked flirting with him, and showing off her body in her tiny bikini. But then James caught her breaking the rules, and the discipline he imposed began to take over her life and her mind. A bare bottom spanking was humiliating! As was kneeling naked in the corner! But it also set her mind squirming, and her body to burning. He didnt seem to see her as sexual at all, and Amy was confused as to why she wanted him to! But she did! And when her punishments began to take on a sexual tone her body and mind both thrilled to the outrageous discipline he imposed on her. As her arousal became obvious, his punishments became more blatant. And soon he would call her only Princess, which would have seemed more flattering if he didnt force her to crawl around on all fours! She, in turn, called him Sir, and her body squirmed as much as her face burned when he brought over men and women to teach her how his Princess was to behave. But she was young enough to adapt, and if the discipline was strict, the pleasure was beyond her wildest imagination, and it beat working for a living.

Cards, Digital Music, Electronics, Garden & .. 17 tales of princesses finding erotic pleasure in dominance and submission [. the underlying tones of bondage already present in the old fairy tales but portray for a two-week intensive training program in submission, bondage and discipline, .
