

Slave Boys Gay Girls

Small Ad. Slavery a long tale of a man who volunteers to be the slave of a gay Master for a weekend. But he finds over just a few days his life is wound up and he has been marketed over the internet, sold on an auction block and reduced to the level where he admits, I am a slave, a slut, a whore, a dog, less than all of these. I am loaned out to strangers, I own nothing, I am the property of my Master. Shaven all over, naked, in chains, only there to serve. Then four short tales by Annabelle Lacey, of transformation of boys into skirts, to serve boys; Screw Me-tough becomes his Masters eager bitch in prison, Silver Spoon-heir to his fathers business being made to be a big baby, then becomes office girl in the business and maid at home, Toughie To Fluffy-losing a fight leads to him being taken as the winners girlfriend and Aunties maid, and Ammanabelles Schooldays weakling boy dressed by sister, forced to wear girls underwear to school, bullied by the boys, then made to go to school as a girl and be a boys girlfriend. Finally The Iron Jack, a very brutal apparatus and method of training slave boys to take cock in the mouth and up the arse, to become lady-boys for their Masters.
