

Sono gli anni del Triathlon cattivo, allenamenti e gare non fanno differenza. Era tutta la vita che correva. Correre, al tempo stesso, era la sua esaltazione e la sua ossessione. Michael Puccinelli non accetto mai l'idea di arrendersi, la vita gli aveva tolto in modo oscuro suo padre, ed una eredita da milioni di dollari. Aver risposto a quella domanda: "dimmi Michael, e tuo padre quello nella foto?" era diventato un tormento da cui non riusciva a liberarsi. La città di San Francisco custodiva i segreti della eredita perduta dalla sua famiglia, forse un modo per scoprirli c'era. Il piano per ritornare in possesso dei milioni di dollari dell'eredita, costringe Michael ad affrontare una sfida impossibile, ma lui è un MOOSE, un alce veloce e testardo, nato per correre.
