

## Revenge On The Popular Girl 2

Never in a million years could I have imagined that I would be kissing my worst enemy. Introduced in the story, *Revenge On The Popular Girl*, was a nerdy girl named Bethany, who finally got her revenge on the popular cheerleader who destroyed her youth. This sequel is about Seth Daniels, her older brother, whose idea of revenge is even more twisted than his little sisters. Her name was Tina Frasier and she was the worst thing that had ever happened to me. She was the most beautiful and popular girl in high school and it became her mission to ruin my life. Day in and day out, her and her boyfriend, Tommy, would do everything they could to make me miserable...as if it wasn't hard enough being an awkward teenage boy with bright red hair. But six years had gone by and I was all grown up. I had finally decided to grow out a beard, which made me look strikingly similar to Shawn DeLeary, a famous and wealthy businessman. Although I was still awkward, my looking like a famous person definitely got girls to talk to me. When my friend, Joe, and I go out to a Salsa club, I happen to run into the one person that ruined my entire youth, Tina. Lucky for me, though, she doesn't recognize me as the Seth Daniels that she used to torment and in fact, she thinks that I am the one and only Shawn DeLeary. I decide to go along with it and use the power and money that she believes I have in order to get her to do exactly what I want. As long as she believes I'm Shawn, then she'll let me have my way with her hard and without protection. How long can I abuse my power before she realizes who I really am? Will I be able to get back at her for years of abuse, in just a single night? It will take some very twisted acts in order for me to settle the score. This 8000 word story features a beautiful woman being roughly handled by a muscular man. It finishes off with a satisfying form of revenge and a

turn of events that will leave you speechless.
