

# The Groom, the Bride and the Best Man

Scott loved Russell since the day they met in college. He was the perfect guy: manly, gorgeous and charming. He only had one problem: a long time girlfriend. But that didn't stop Scott from catching mixed signals from Russell since day one. Could those just be wishful thinking? Things reach a cathartic moment during Russell's wedding rehearsal. In an episode of foolishness, Scott drinks too much and drops the bomb. It was his last chance to know if his gaydar was right all along. Inspired on a true story, this 5,000 word short is fuelled with heated discussions and physical encounters that will engage readers into a small but enthralling plot. **WARNING:** This book contains explicit scenes of consensual sex between men as well as some graphic language. It is intended for a mature, adult audience.

You'll need to make a toast to the bride and groom as part of the best man's speech - we've put together 21 best man toasts to inspire you.
