

Sophies been saving herself for the perfect guy, and now shes found one who wont take no for an answer. Theres just one problem: Hes a Neanderthal. When an unexpected discovery leads to disaster for an expedition, a brilliant young scientist finds herself alone with a huge, hairy brute who hasnt been laid in thousands of years. Unfortunately, hes just destroyed a few million dollars worth of equipment and trapped them in an ice cave. Theres only one way to keep the raging caveman from smashing the place up and bringing the roof down on their heads, but Sophies never been with a man before. In college, she was a good girl, too busy with her books for dating. Later, she hoped she might meet some nice scientist. Now shes stuck in a cave with a Neanderthal driven by desire and unconstrained by the polite rules of society. It looks like her first time will be rough and hard, but can she handle his massive... club? When its all over, the caveman will leave her bruised and exhausted with a hot load of primordial DNA in her belly. This 6,400-word story contains an innocent young woman deflowered by a hulking monster of a caveman in a rough episode that leaves her pregnant with a Neanderthal baby. In the end shell discover that three hundred pounds of muscle and testosterone beats some wimpy scientist any day! Check Look Inside for a preview too hot for the public!
