

Some ladies just like variety, others are size queens. No matter the reason, they're wildly hot for these sexy ebony alpha males. The ladies in these stories meet their match in these men, and they get their sexual flames extinguished and stoked, while learning different perspectives on this crazy journey we call life. These ladies are at a crossroads as the heat rises. Are they ready to play with fire? 1) I Borrowed Your Husband 2) Bigger Than My Husband I Borrowed Your Husband: It was a normal work day at the front desk of the hotel, until Stephanie was greeted by the most handsome black man she had ever seen. As she was getting ready to give him a free upgrade to a premium suite, his bossy wife came out of the woodwork nagging and belittling him. After his wife stormed off, Stephanie told the man, Lance, that he deserved to be treated better, and if he wanted a night with a woman who would treat him like a king, to come to her room later. Lance takes her up on that offer, and Stephanie tells him to take out all of the frustrations of his marriage and his buried passion on her tight little white body. Bigger Than My Husband: Stacey and her husband are trying to get pregnant, but she just can't get excited about the process of actually trying. His alpha male edge is all but gone, and she knows that once they have a baby hell turn fully into Mr. Mom. Stacey realizes she's missing something. To fill her hole, she needs something bigger... Something blacker... When she heads out to a local bar, she finds that, in the form of Darryl. They head to the bathroom of the bar to get busy, and she takes every inch of him in her mouth, in her hole and has him by the balls, getting him to give her all of his juices until she's satisfied, to make up for all of her husband's inadequacies.
