

A Hard Mans Pet (Ambition Book 2)

Kristens relationship with Sterling takes on a darker but more thrilling edge as she moves into his fabulous penthouse. But he expects the same absolute obedience and submission at home as he required at work! Instead of the sleek short skirts and jackets she wears at the office she now wears a collar, cat ears, and furry leggings and mittens! Yet as the days pass she finds a softer inner heat within him, and her hopes of melting his cold exterior grow. Were they actually growing fond of each other in their odd new relationship? She hoped so, but in any event, living in a penthouse and being subjected to mind blowing sex made up for everything else!
