

The Christmas Promise: A story of faith

Jenny and her Father were very close. They made a pact to build a life size nativity scene in their backyard when she was young. Jennifer never saw that promise fulfilled because of the horrible accident that claimed her parents lives on Christmas Eve. Now each Christmas holds a terrible tragedy in store for young Jennifer and her husband. Will she have enough faith to overcome the continuous heartbreak in her life or will she succumb to the tragedies? With a supporting cast of her husband, her in-laws, the local minister, and a promise that still calls to her, this is the story of a young womans belief in God and the testing of her faith.
