

To Write a Wrong (Justice Seekers, No. 2)

In Angola State Penitentiary, a man is serving time for a crime he didn't commit. Riley Baxter is an eager reporter desperate for a story to make a name for herself. When she stumbles upon the daughter of the incarcerated man, Riley sees a little too much of herself in the teen, and vows to help prove her father's innocence. At the same time, Hayden Simpson has his hands full with keeping his little sister in line, worrying about his job as Police Commissioner, and dealing with his past emotional baggage. The last thing he needs is someone blowing the lid off his emotional bucket. But when Riley Baxter storms into his life, struggling to understand why God would let bad things happen to good people, Hayden has no choice but to follow his heart. Now, Riley and Hayden must work together to uncover the truth of the past ... before someone shuts Riley up for good.
