

## Back to Basics: The Swingers Club 7 (Sadie Somertons Swingers Club)

Selena woke to sunlight slanting in through the window and a naked man in her arms, and for once she knew immediately who it was. Running a swingers club can be a very demanding thing. Exciting and exhausting in equal measure, the club has started to take over Selenas life. Is now the time for her and Martin to step away and get back to basics? An adult story about an open and loving relationship, featuring swinging, group fun, cuckoldry and lots more! [Note: Each book in this series is also a standalone story and can be read in isolation. This book was previously published with the same title under the pen-name Polly J Adams.]
