Dylan went to the show to see his friends open for a big band, but afterwards he is invited onto the headliners tour bus. The guitarist he admired on stage wants Dylan to be his boy toy. In the course of the evening, Dylan learns that vampires aren't always so scary as we might think, and Burke, his vampire lover, learns that some mortals have what it takes to satisfy even the deepest thirst! **WARNING:** this explicit M/m erotic short features sex between a vampire and his mortal boy toy, rough deep throating, rough sex play, a strange drug and an explosive finish. Drink deep! Excerpt: So, he began, his voice crushed velvet like the wall hangings, you came. I guess you didn't really have much of a choice though. Dylan was a bit confused by that remark, which Burke picked up on. You mortals are all the same, he grinned, showing two pointed teeth, first you think we don't exist. Next thing you convince yourself is that you're different and you can't be tricked the same way everyone else can. Well, we do, and you can. Have been, actually. His head swimming, Dylan sat down hard on the bed. Wait, what do you mean by all that? Are you telling me you're some kind of vampire? We all are. But that's beside the point. You came here, to me. That means you wanted to. Even though I can influence you and make you horny as all fuck, I can't force you to do anything. I saw you looking at me. I know you want to be here. Burke said, clearly wanting to get down to business. He was right. Dylan was getting so hard that he was afraid his pants would rip. The vampire snuffed his clove cigarette and crossed the small room, putting one hand behind Dylan's head and one to the bulge in his crotch. Oh my, Burke said, licking his lips, someone came ready. You aren't going to pull anything are you? I mean, you won't bite me? Turn me into... one of you? Dylan asked, although in honesty he probably wouldn't have stopped

now whatever Burke said.No, I wont. Burked replied, with a chuckle. Anyway, that isnt how it works. Ill only do it if you want me to, I promise.
