

Sucking and Pleasing My King (Domination and Submission Erotic Romance)

I was in the mood to be giving tonight. As I hit my knees to please my lover, I loved the way his warmth filled my mouth. There is power in submission, and I was his tonight. I knew that I was awakening a sleeping giant, and the hotter I pleased him, the harder he would pound me. EXCERPT: When he dominated me, I felt like the most beautiful woman in the world. I was a firecracker, so I needed a masculine alpha male to extinguish that fire with great passion. Unlike some women, I realize that there is power in submission, and it is honestly the sexiest game that can be played. I work as the president of a company, so I'm used to being the most powerful person in the room at any given moment. When it comes to the bedroom, behind those closed doors, I'd rather play the submissive role, with a sexy man taking the lead and making me feel loved. When he dominated me, I felt protected, so it was no big deal for me to drop to my knees for him.
