

Claiming Kelsey

Embark on a journey along a dark path of erotic control and forced submission. James Bennett is captivated by his lovely but unattainable coworker, Kelsey Rowan. When she spurns his advances, he unleashes his long-hidden dark passions and takes her by force. Through a regime of erotic training, punishment and domination, James intends to mold Kelsey into the submissive and obedient wife of his dreams. Kelsey had no idea her mild-mannered boss was secretly and dangerously obsessed with her. Held against her will in a secluded cabin, she is subjected to a relentless barrage of sexual training and mind control, counterbalanced by James terrifying declarations of love. As Kelsey succumbs to his rigid control, she must summon the will to survive, while edging precariously close to the brink of madness. Not for the faint of heart, Claiming Kelsey is a stark, probing look into the inner workings of a twisted mind, and the courage of one woman who never gives up in the fight to keep her spirit alive.
