

## Arabian Variable: A Covert Action Suspense Novel

Hunted by Muslim extremists for ten years, ex-Marine chopper pilot Carson Adams is forced from hiding when they track him to the Carolinas, then bait him to return to volatile Saudi Arabia. With access to the underground network of Christians in Arabia, and resources from COIL, Carson covertly slips into Mecca. Facing surprises at every turn, and finding help from an unlikely source, he still looks for opportunities to share Gods Word in the closed country. In Arabian Variable, a covert, action-suspense by D.I. Telbat, we find that Prince Rashid and ex-Iranian Pasdaran Agent Fajl are fast on Carsons heels. God gives Carson refuge in a junker helicopter in the midst of Mecca, even as he plans the rescue of a kidnapped family. His secret contact in Israel may be his only hope when all seems to be lost. Who could know that smuggling Bibles would be so perilous? Can Carson Adams show the love of Jesus Christ even to those who are trying to kill him? And who from his past is really his greatest foe? Arabian Variable is a 76,000-word knock-out novel of thrill, action, and suspense! Cover art is by Cindy L. Anderson. Included: glossary of terms, a link to three FREE diagram downloads, and BONUS chapter one of new novel, Called To Gobi!
