

# Human Race Get Off Your Knees: The Lion Sleeps No More

Nearly 700 pages, 355,000 words, 325 illustrations and 32 pages of original colour art by Neil Hague A Monumental Work David Icke marks his 20th year of uncovering astounding secrets and suppressed information with the publication of his most amazing book yet. He takes the manipulation of the human race and the nature of reality to still new levels of understanding and he calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. David has moved the global cutting edge so many times since his incredible awakening in 1990 and here he does it again - and then some. His most staggering revelation is that the Earth and the collective human mind is manipulated from the Moon, which, he says, is not a heavenly body, but an artificial construct a gigantic spacecraft (probably a hollowed-out planetoid) which is home to the extraterrestrial group that has been manipulating humanity for aeons. He describes what he calls the Moon Matrix, a fake reality broadcast from the Moon which is decoded by the human body/mind in much the same way as portrayed in the Matrix movie trilogy. The Moon Matrix has hacked into the human body-computer system, he says, and it is feeding us a manipulated sense of self and the world 24/7. We live in extraordinary times. On one side we are seeing the imposition of a global Orwellian State of total surveillance and control by those who serve the Moon Matrix, and on the other a fantastic energetic transformation is taking place what David calls the Truth Vibrations, a phenomenon he first predicted in 1990 and used as the title of his first book after his eyes opened. The Truth Vibrations are awakening vast numbers of people to remember who they really are infinite, eternal Consciousness. Humanity is at a

fork in the road and it is time to make a choice. Are we going to awaken to our true genius and potential as Infinite Consciousness? Or are we going to remain entrapped in body/mind and the manufactured illusions of the Moon Matrix? One choice will give us freedom and potential on a scale we could not have thought possible, while the other will condemn us and our children to a global fascist/communist dictatorship on a scale that would make George Orwell wince. You cannot read Human Race Get Off Your Knees and be the same person you were when you picked it up. It is life-changing, reality-changing and its information, if acted upon, will set us free.
