Recently divorced Chad isn't quite sure what went wrong in his marriage. He'd never been that attracted to his wife, but getting married seemed like the right idea at the time. But after a few chance weird encounters where he accidentally spies on men getting hot and heavy with each other, he's beginning to wonder if perhaps he's been living his life in the closet - even from himself. With the help of his hot new alpha neighbors, Luke and Brad, Chad discovers a new side of himself - not to mention the pleasures that can only be provided by another man. Or in this case, men.
