

In Cairo, near a bustling market, Hassan works in an antique shop where he sells strange and curious artifacts. A stranger appears one day with trinkets more valuable than they first appear. Hassan finds that they come from a faraway land, a lost city, and perhaps are somehow related to Princess Neferure, the daughter of Queen Hatseput, who lived in Egypt around the year 1500 AC. Hassan, with the help and company of his nephews, cannot pass up the opportunity to embark on an incredible adventure of discovery and treasure. En El Cairo, junto al bullicioso mercado, hay una curiosa tienda de antiguedades donde trabaja Hassan, un empleado que conoce historias pasadas y vende los mas extranos y antiguos objetos. Un dia aparece un extranero con cosas que parecen de gran valor. Hassan descubre que proceden de un lugar remoto, una ciudad desaparecida y, quiza, relacionada con la princesa Neferure—hija de la reina Hatsepsut, que vivio en Egipto alrededor del ano 1500 AD. Hassan, acompañado de sus sobrinos, no dejara pasar esta oportunidad y emprende una aventura increible.
