

# Understanding Anorexia Nervosa (Teen Eating Disorder Prevention Book)

For today's teens, self-esteem is inextricably connected to body image. This series provides teens with crucial information about eating disorders, body image, and health. Its body-positive message will boost teens' self-esteem and help them learn to love their bodies. Anorexia nervosa is a dangerous disorder in which a person refuses to maintain a minimal body weight, instead convinced that he or she is fat. This book addresses the complex syndrome of anorexia nervosa -- its causes and effects, both physical and psychological. The author carefully guides teen readers toward seeking help.
