

Winter Homecoming: Sophias Daughter (Northwoods Past) (Volume 2)

Catching a freight train out of Chicago is no way to spend Christmas Day. But Will Gustafson has run out of options. The Depression has cost him everything his classy wife, executive job and high society life. Now he's heading home to the northwoods of Wisconsin to face the I told you so he deserves. On the freight train a homeless little boy attaches himself to Will like a lost puppy. Who is the boy and why is he alone? On the day after Christmas in her Model T, Cass Newton picks up Will and the boy and takes them home with her. Is she crazy? But a new widow, she needs a handyman to help her weather the winter in her isolated cabin. She's concealed her delicate condition from everyone but can't deceive Will. A baby is coming and Will wonders how he'll handle this when his lady boss refuses to see a doctor. Why not for heaven's sake? He fights his growing attraction to this good but stubborn woman so unlike the wife who divorced him. The three of them become an unlikely family. Yet what will happen when the snow melts and all their secrets are revealed?
