

Economics Today: The Micro View Plus NEW MyEconLab with Pearson eText -- Access Card Package (17th Edition)

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE Written for students taking the principles of economics course. By presenting ideas clearly, at an accessible level, and in the context of newsworthy applications, Economics Today: The Macro View is also a valuable resource for professionals seeking a current, real-world introduction to economics. Economics Today Bringing the Real World to Your Students

Students learn best when they see concepts applied to examples from their everyday lives. This new edition of Economics Today: The Micro View covers leading-edge issues while lowering barriers to student learning. The text relentlessly pursues the fundamental objective of showing students how economics is front and center in their own lives while providing them with many ways to evaluate their understanding of key

concepts covered in each chapter. Each chapter begins and ends with an Issues and Applications feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab, which includes assessment questions that tie to these Issues and Applications, as well as ABC News video clips. With MyEconLab, students can continue working problems online and receive personalized tutorial resources. Visit MyEconLab for more information.
