

Fault Lines (Death & Co.)

As the youngest male in a family charged with taking the dead to the afterlife, all eyes are on Adam to continue the Luman legacy. But he has dreams of his own, and a girlfriend who knows nothing of his secrets, including a gift for seeing death before it happens. When his father allows him one last opportunity to be a regular teenager and travel to Japan on a school trip. Adam could never have imagined that this alone would force his hand. But his terrifying premonition of a devastating tsunami due to hit Japan means he has to act fast and stop it before it happens. If he saves thousands from a terrible fate, he must also risk the wrath of all Lumen. Is he man enough to take it on?
