He cleared his throat. I love you, Anne. My question is why you don't love me back?-----Michael O'Fallen simply wants to survive. A poor Irish boy living in post-Civil War New York, the events of one horrible night send him running far south to unsettled Florida and an unplanned marriage with a girl he doesn't know. Yet, when his feelings for her begin to grow, it seems the darkness in his heart and the perils and dangers they face will be too much for their tenuous marriage.
