

## Five Geese Flying (Truly Yours Digital Editions)

Branded a heretic and a witch for practicing medicine and consorting with a Jew, Jeanine De La Fontaine faces death by the hand of the man who was to have been her husband. Having rejected Antoine Colbert because of his distasteful nature, Jeanine now knows the full extent of his revenge. But Colbert will never have Jeanine's heart—that honor belongs to Victor Pindar. Brought to Jeanine as an injured Englishman, Jeanine saves his life only to fall deeply in love with her patient. Now Victor must ride to her defense. Can true love rise up to conquer against superstition and prejudice? *Five Geese Flying* stands as a symbol of hope between Jeanine and Victor, but only hope in God will see Jeanine delivered from certain death.
