

# Math, Art and Logic - Dyslexia Games Therapy (Series C) (Volume 6)

Dyslexia Games Series C is a series of 8 Workbooks for teenagers and adults. Use our fun activity books to QUICKLY overcome reading confusion, messy handwriting, poor spelling, concentration problems, and letter reversals that are common to teens and adults with Dyslexia, ADHD, and Aspergers. Use all of the workbooks in order starting with Book 1. To purchase the 8 books in Series C together at a much lower price, visit [www.dyslexiagames.com](http://www.dyslexiagames.com) These mind training games are different from EVERYTHING you have ever tried because they focus on a persons TALENTS, not their weaknesses!

Dyslexia Games is a series of workbooks packed with learning activities that empower your the brain with new abilities and new brain connections for literacy. Teenagers and adults who have been struggling for a long time can quickly build the mental skills needed to succeed in reading, writing and spelling! With Dyslexia Games there is NO grueling memorization, NO flash cards, NO boring text books and NO endless repetition of the same dull facts! Just fun and games for 15 to 20 minutes a day! We consider the active minds and creative style of teens and adults with Dyslexia, ADHD, and Aspergers to be a special gift, not a hindrance! Thats why our worksheets are fun and interesting. The pages include art games, pattern games and puzzles that require the student to tap into his natural problem solving skills and unique intelligence. Each workbook presents the student with increasingly challenging activities, while introducing him to the complexities of the written language through word games and poetry. Dyslexia Games is the simplest, fastest, (and most affordable!) way to help teens and adults to overcome symptoms of Dyslexia, including letter reversals, poor spelling, messy handwriting, concentration problems, and

reading confusion.
