

Gallows Hill

17-year-old Sarah doesn't believe in magic, but she thinks it's fun to pretend to be a psychic until her startling visions of the future turn deadly. When Sarah Zoltanne moves from sunny California to a small town in Missouri, she feels like she'll never fit in. Her mother is dating a jerk, the kids at her school despise her, and she misses her old home. So when a popular boy asks her to tell fortunes at a school fair, she jumps at the chance. But soon her crystal ball begins to swirl with strange visions and her outlandish predictions start to come true with startling accuracy. Now Sarah must confront a community that not only mistrusts her, but also fears her strange powers. *Gallows Hill* is a spine-chilling thriller based on the story of the Salem witch trials.
