

Naughty Curves (An Alpha Billionaire TABOO Romance)

Bryce Avery is an old-fashioned billionaire who demands nothing less than perfection from his curvy twin stepdaughters. Undisciplined and wayward, he forces them to join a sorority with the intention that they find some direction in their lives. But times have changed. Bryce has no idea that sororities are now synonymous with bacchanalian parties and girls-gone-wild. His steps won't be receiving the respectable training for adulthood and good citizenship he's expecting, but rather dirty lessons in lascivious behavior and how to sexually manipulate men to get what they want. So when one of his curvy young steps comes home from college and winds up using her newfound, sinful skills on him, he's furious, and decides to punish his fiery little vixen as he sees fit. The only problem is, there's a twist: his sultry step has taken exceptional notes, and she has settled on seducing her muscular, oh-so-forbidden stepfather. Is Bryce man-enough to punish her the way her nubile body deserves? Or will he give in to his darkest fantasies and take her hard, fast and without protection?
