Dont I look pretty for you now, Sir? Every woman that goes to the new gym in town ends up as a giggly, big-breasted bimbo, and all the men who go turn into huge, sculpted studs. Alan, a dejected loser, tries to get to the bottom of the mystery, but soon finds that hes surrounded by hot, willing women desperate to do anything he says! And what makes it even hotter is that formerly overweight Anne, the girl Alan has lived with his whole life, is now one of those gorgeous, willing, transformed women, eager to do what Alan says... Can Alan resist? Does he even want to? (Probably not!)
