In a surprising turn of events, Esther's artistic gifts lead her to the embrace of the dashing Englisch painter, Benjamin. He is also the son of her father's business rival, the arrogant and jealous Mr. Dejong. Who will win the Amish artist's heart? Will it be Benjamin, the dashing Englisch creative, or hard working Isaac, with his shameful secret? As the dramatic story unfolds, Esther not only discovers love, but also herself! "As an artist myself, not just with words on paper but on canvas, I know how transporting and transforming the music of color and texture can be as you frame and capture glimpses of God's creation. That is one of the reasons why I feel so close to the courageous heroine of our story, and I am sure that you will too." Grace Given, Author **SCROLL UP AND BUY YOUR COPY TODAY**
