

Time Management for Turbulent Times

Time Management - the term is old, but the concepts in this audio series are strikingly new. No matter where you work or what your responsibilities happen to be, its likely that youre facing recurring time pressure. You need fresh approaches to stay on control! In three illuminating audios, Jeff Davidson, The Work-Life Balance Expert and the premier thought leader on work-life balance issues, explains why interruptions and worn-out notions about time management represent your greatest productivity obstacles today. In *Get Interrupted Less, Earn More; Interruption Management, The Importance of Focus;* and *The Sacred Cows of Time Management*, Jeff offers his high-powered, yet down-to-earth, practical advice. Take advantage of his cutting-edge wisdom about what it takes in this day-and-age to truly be the master of you time.
