

Her First Gangbang: Totally TABOO Erotica

Adult Only Warning: This is Totally TABOO Erotica! When Kelly joins Austin, her mothers sexy ex, and three rugged cowboys on the dusty trail, she hopes Austin will see that hes the only one that doesnt realize that shes a grown woman. But when the group stops at the stream to wash off, what starts as some playful skinny dipping quickly turns into something way more heated. Now, Austin is pressed up against Kellys naked body and someones hands are between her legs while another pair of hands are on her breasts and Kelly is about to discover just what kind of fun these guys have in mind. From the book: Thats when she felt Jesses hand between her legs. She gasped, absolutely not expecting that Jesse would escalate their game so quickly. As she did, she felt his lips skim the shoulder that he had just washed. She moaned. Now, thats just unfair. Trace plucked the sponge from her, dipped it in the water, and gently began to wash her stomach, drifting the sponge upward to her breasts. We dont want to tire her out with all this hard work, do we? Kelly shuddered, the attention from the two gorgeous men almost being more than she could comprehend. She had just been playing, she had never thought things would go even this far If youre up for it Kelly. Traces voice was the barest whisper. I think we can have a lot of fun out here on the trail.
