

**An Authentic War-time Story** Peter Harts JOURNEY INTO FREEDOM was an arduous journey from France to England during the Second World War. He was living and working in France at the outbreak of war when he was interned by the French as an Enemy Alien. To make matters worse, the Germans imprisoned him once they invaded France. This is Harts account of his incredible escape from the hands of the Nazis and his long journey over the Pyrenees into Spain, and then via Gibraltar to Britain. Assigned to the Intelligence Corps in England, his story continues until his demobilization in 1947.
