

The Trial of Breathalyser Offences: A Practitioners Index of Practice and Procedure

This is a practical guide to the provision for the trial of breathalyser offences under the Road Traffic Act 1988, the Road Traffic (Consequential Provisions) Act 1988 and the Road Traffic Offenders Act 1988. The stages in the process are examined alphabetically with references to related entries. The book contains a practical guide to the relevant law, including material on Scottish cases and destination tables for locating relevant case law.
