

Kicking Off: Why hooliganism and racism are killing football

The media and police claim the battle against football hooligans has been all but won. Those who study the culture of football know only too well that behind the squeaky clean corporate image being fed to the public lie some dark and unpalatable truths. Compiled by best-selling author, screenwriter and world-renowned hooliganism expert Dougie Brimson, KICKING OFF picks up the debate where BARMY ARMY left it Euro 2000 and the horrific murders of two Leeds United fans in Turkey. In his own uncompromising style Brimson exposes the truth and paints a disturbing picture of what lies ahead for the game if the culture of hate, racism and violence remains unchecked.
