1) Sweet Sex in the Billionaires Jet
2) Lets Play, Mr. Billionaire Sweet Sex in the Billionaires Jet When Tamera bet her friends on who would scoop the most handsome and wealthy man during NBA All Star weekend, she had no idea how badly she would win. She realized that once she stepped aboard her billionaires private jet, as it whisked them clear across the country for their first proper date. However, just before they are about to land, the billionaire, Mark, gets the idea that they should join the mile high club. Before landing, Tamera follows him back to a bed room on the plane where the only thing left on is a red light. This erotic scene set the tone for a session that involved them fucking and tasting each other in all ways imaginable. **WARNING!** Steamy content! Youll read descriptions of rough sex, face sitting, oral sex, foreplay, female ejaculation and so much more.

EXCERPT: I was hoping that youd join me. It was Mark. Tamera nearly jumped out of her heels, as she didnt realize that anyone was in the room until the voice shook her to reality. Her ears burned a little with embarrassment, because she felt as though she shouldnt have been snooping. Im sorry, Tamera said. She could see more clearly now, and noticed Mark sit up and look toward her. I tell you I was hoping that youd join me and your response is to apologize? Mark rebutted. Come join me. Lets Play, Mr. Billionaire Stacey was intrigued when her boss began his flirtation with her months ago. She was downright floored when he asked her to accompany him on a work retreat in Barbados They had gotten off on sneaking around and carrying on a fling under the

noses of the other employees. However, Stacey flexes her muscle as the Queen Bee and takes the task of being her bosses work wife to a whole new level. EXCERPT: You see, Im a secretary, but I wouldnt be a secretary for just anybody. The job market is rough out there, and when I applied, I knew that this was a winning company, and an entry level job here is a life boost. Little did I know that as Mr. Macks mistress, I would essentially take on the second most important job in the entire company. I thought about this exchange of power, this domination and submission, this sweet, sexual splendor, as I licked his shaft and stroked his cock hard with my hand and cupped his balls with the other hand. I stroked his inner thigh and spit on his cock before putting my mouth back on it and sucking him, as my head bobbed up and down beneath the desk. I knew that this would be a piece of cake once Scott leaned back in his chair, palmed the back of my head and forced it up and down on his long cock, making me suck it right. When he gets into it like that, its only a matter of time before he blows a load.
