

Island of Doom: Hunchback Assignments 4 (The Hunchback Assignments)

After previous assignments in London, the depths of the Atlantic Ocean, and the Australian rain forest, this final adventure in the Hunchback Assignments series finds our hero, shape-shifting, masked spy Modo, on his most personal quest. Along with fellow spy Octavia Milkweed, they search for Modos biological parents. But when the Clockwork Guild find Modos parents first, Octavia and Modo chase them across Europe and North America to the Island of Doom. Joined by memorable characters from the first three books--some lovable, and some who are terrifying and evil--Modo and Octavia dash towards a thrilling conclusion.
