

James Allens Daily Meditations

Daily Meditations is a combination of two books: Morning and Evening Thoughts by James Allen, published 1909 and James Allens Book of Meditations published 1913. James Allen may truly be called the Prophet of Meditation. In an age of strife, hurry, religious controversy, heated arguments, ritual and ceremony, he came with his message of Meditation, calling men away from the din and strife of tongues into the peaceful paths of stillness within their own souls, where the Light that lighteth every man that cometh into the world ever burns steadily and surely for all who will turn their weary eyes from the strife without to the quiet within.
