Shayla will do anything to land the greatest gig on the planet – lead guitarist for the international rock band sensation, Wicked Heat. If she can capture the coveted spot, she can finally quit her mind-numbing bar-tending job. She's plucked out of the line of hundreds of other hopefuls and taken to a very private audition room. In addition to playing, she's going to have to prove that she's a good fit for the band, a very good, very tight fit. Scorching hot billionaire rock gods, Vance, Syd and Jag intend to make sure Shayla's ready for anything. During a sizzling jam session, the three men work her into a variety of scandalous positions. When they're done, she's coated in sweat from head to toe. No hole is left untried. Will her performance win her the coveted spot, or will she take the ultimate walk of shame past the other musicians? Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
